Viticultural Practices: Harvested in the cool of the morning & softly pressed. Fermented slowly in stainless steel tanks at cool temperatures to preserve the elegant & refined Sauvignon Blanc aromas. Aged on yeast lees for 3 months before being gently filtered and bottled in September 2019.

Winemaker Notes: Aromas of passionfruit, elderflower, gooseberry, and fresh mint laced with a delicate white flower element lead to punchy palate with guava and lime. A classical edgy style delivers beautiful line and length: a true Marlborough Sauvignon Blanc.

Food Accompaniments: Perfect match includes freshly grilled Snapper accompanied with lemon risotto and a leafy green salad. A wine that can be served with fresh cuisine or shared with friends simply on its own.
