

# La Vie En Rosé

**Painted Wolf**  
**Pinotage Rosé 2019**  
**Paarl, South Africa**

We have set out to make the finest and most elegant dry Rosé possible from Pinotage. The grapes were handpicked into small baskets and taken to the cellar and were destalked and gently crushed. The juice had roughly 12 hours of skin contact before we drained the juice off the skins. We recovered 9500 liters of juice from 24 tons of grapes, the lightest and most elegant free run juice.

**Pinot Noir Rosé 2019 Casablanca**  
**Valley, Chile**

After fermentation, the wine is left two weeks on the lees, before being sulfured and racked to a stainless steel tank. Pale pink in color with an orange hue, showing classic aromas of strawberry and redcurrant complemented by floral notes and a hint of cedar oak. Elegant and refreshing in the mouth, with bright red fruit flavors, decent weight and some minerality through the clean finish.
